## Get to know your gear

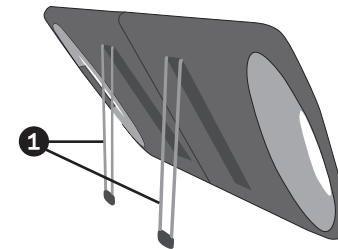

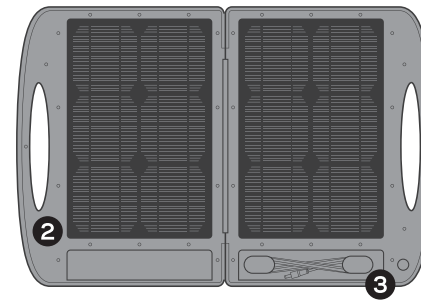

## Getting Started

1. Be sure to **ACTIVATE YOUR WARRANTY** at [www.GOALZERO.com/warranty](http://www.GOALZERO.com/warranty)
2. Open and remove the foam protector on the solar panel.
3. Prop up the legs and angle the panel towards the sun (see below).
4. Plug charging cable into your GOAL ZERO power pack.

## How to use your gear

- 1 **Support legs**  
Metal support legs prop out for ideal positioning.
- 2 **Security**  
Built in locking system secures panel when shut. To open it, push out on both slide-tabs at the same time.
- 3 **Power**
  - a. The power plug stores easily around the cable tray. When using, plug it into the input on you GOAL ZERO power pack.
  - b. The blue light turns on when power is being received into the solar panel.
- 4 **Clean**  
Wipe it clean with a dry or slightly damp cloth.
